

# LAS CANDALISTAS OCTOBER NEWSLETTER

## LETTER FROM THE CO-PRESIDENTS

From the Presidents' Desks

The September Meeting was a great kick-off to what looks to be another great year of fundraising and giving back to our local communities. We were thrilled to introduce Debbie Sampson, Bonnie Insana and Selina Hamilton as our Spring Event Chairmen with their theme "California Dreamin'.....What's Your Dream". We could see the wheels turning in everyone's head with the ideas and possibilities for implementing this fun, up-beat theme. Can't wait to see this unfold in the coming months.

The Fall Social was a huge success. We had 90+ people come out to enjoy a great evening of getting to know our new Provisionals and reconnecting with each other after a summer off. Thank you to Debbie and Nick Sampson for opening their home to us and to the Provisionals for their hard work in orchestrating a delightful evening. Great food and conversation. Kudos to our Chairmen Paula Redmond and Debbie Sampson. The hats were "fascinating"!

Entertaining for the Holidays: Everyone is excited by the "Art Inspired Entertaining" theme which is sure to be a most beautiful event. We urge all members to find a way to support this event, whether it is by donating time, materials, talents or by coming as a guest. And don't forget the fabulous Opportunity Drawing....the Pantages 5 Show package AND Gift cards to 5 LA eateries. Package valued at \$1,500!!! Tell all your friends.

We are so fortunate to have our Friends & Family committee working hard again this year. Please support them at their cook days on October 15-16 even if you can only come for brief time.

The October meeting is always one of our most touching and important meetings. It's when our top six nominated charities share with us what their requested program is all about. After their presentations and brief members' discussion, voting members have the tough choice of voting for up to three of them. It will be helpful to you if you read the Philanthropy article before the meeting. Any voting member who will not be in attendance should request an absentee ballot from the Parliamentarian.

October is a busy and important month for us. Pitch in wherever you can!

## PHILANTHROPY

Our Top Six charities were selected by the Philanthropy Committee in August. Representatives from each have been invited to our October general meeting to present both their mission and program(s) for which they have requested funding. Following these presentations and after the representatives have left, we will have a few minutes for members to share any additional facts/experiences they may have. A brief summary is provided here, but if any member is interested in viewing a full copy of the charities completed applications, please email me at [mosher120@yahoo.com](mailto:mosher120@yahoo.com). I'm happy to forward a copy to you. Voting on the Top Three will take place after the brief members' discussion time.

Our Top Six charities are:

### **1736 Family Crisis: South Bay Children's Program**

1736 Family Crisis Center provides intensive children's services through unique programming provided at one domestic violence shelter, one outpatient clinic, and one 24/7 crisis hotline, within the boundaries of the Las Candalistas funding area. The South Bay Children's Program combines age- and developmentally-appropriate mental health therapy including clinical assessment and treatment with therapeutic activities (e.g., psychotherapy, art therapy, play therapy, gardening, and free play) provided by and/or under the supervision of licensed mental health professionals. Additional services are provided on an individualized basis, dependent on the specific needs of each child, and may include parent-child therapy, school enrollment and tutoring, referral to medical and dental resources, and other essential aid necessary to address all child needs (e.g. housing, food, education, and legal services when applicable). Serves 450 children annually. Request: \$25,000.

### **Family Promise of South Bay: Welcome Home Kids**

Provides funding for children and their families when they transition into sustainable housing. Families typically don't have any furnishings when they do find a home and sometimes have difficulty paying upfront costs. Funds would be used for housing assistance, cribs, crib sheets, twin mattresses, twin box springs, twin metal frames, mattress covers, pillows, pillow protectors, sheets, towels, curtains, child-safe furniture, new or gently used household goods and appliances. The cost of a rental truck for two days, gas, and mileage. In addition, gift cards from budget-minded department stores, will be distributed for other key necessities. Serves 30-45 children annually. Request: \$20,000.

### **Community's Child: Healthy Bags Program**

Community's Child provides nutritious foods to more than 250 impoverished food insecure children (and their siblings) attending elementary schools in the South West portion of the South Bay. Every Friday that school is in session, we deliver bags of nutritious groceries to the schools where the public health nurses, special education teachers, social workers and Principals have identified attending children as being at risk for hunger and malnutrition on the weekends, in their family homes. During the summer months when the schools and their breakfast and lunch programs are closed, we provide up to 500 local food insecure children with bags of nutritious groceries and health education services every three weeks. Serves 1,200 children weekly. Request: \$20,000

## **Marine Mammal Care: Mobile Visitors Center - Educational Access**

Request that Las Candalistas fund up to 8 Mobile Visitors Center trips to South Bay schools and/or community events where children will definitely be present. Each trip includes up to 6 hours of on-site presence of the Mobile Visitors Center, at least 2 MMCC Los Angeles personnel to act as educational docents, and an on-site or take-home educational activity that is age appropriate. Las Candalistas is welcome to recommend 8 sites, or MMCC Los Angeles can select sites with many children who may not be able to visit our hospital in person, or the school / community group cannot afford to host the Mobile Visitors Center. Each visit is \$2,500. Serves 8,000-12,000 children annually Request: \$20,000

## **Toberman Neighborhood Center: Toberman's Summer Academy**

Toberman wishes to use these funds to support Summer Academy activities during 2019. Summer Academy provides activities to build developmental assets and instruction to build literacy, writing and math skills. The program strives to maintain or increase academic skills over the summer months and directly address summer learning loss. Also, through a daily focus on the Search Institutes 40 Developmental Assets, children develop those protective resiliency skills they may need to thrive. Additionally, Summer Academy is focused on Learning Within and Beyond the Classroom. Field trips are conducted two days each week for the children to explore the many community resources available in the Harbor Area. Each trip is directly linked to academic lessons learned in the classroom which allows experimental learning to occur. Toberman also plans to add a new recreational component to Summer Academy which is designed to increase physical activity levels, improve self-esteem and combat the growing obesity problem in children. Serves 90-100 children. Request: \$10,000

## **TrinityKids Care Hospice: TrinityKids Care Necessities of Life**

Hospice and palliative care for children. We recognize that children require more complex levels of care due to the nature and complexity of their illness and age. While it is difficult to accept that there are children who needs these end-of-life services, the specialized team of clinicians who serve children with life-limiting illness and their families through the TrinityKids Care program are committed to the provision of these services. We are honored to be "invited into homes" to provide guidance, love, support and compassion so critically needed by the children, as well as their family members and friends. Serves 300-400 Request: \$10,000

## OCTOBER COLLECTION

Additionally, we will be collecting food items at our October meeting from the list on the flyer shown below. These items are to assist Community's Child in preparing Thanksgiving dinner packages that will be distributed to those in need. If you are unable to attend their upcoming Harvest Festival on Saturday, October 27<sup>th</sup>, please bring items from the list to the October meeting. I will be delivering all of the collected food items to the Harvest Festival.

Thank you for the orders that are coming in. There is still plenty of time to turn in orders from family, friends, and your own-- deadline is October 10<sup>th</sup>. ## **THRIFT – OCTOBER 2018**

We will be collecting Thrift items at the meeting. We go through every bag to decide which charity will receive the items so when making donations we ask the following:

Sort and mark bags men, women or children and make sure clothing is clean and in good condition.

Please make sure any small electrical items are in working condition.

### **TOILETRIES**

We will also be collecting our **new** cosmetics and toiletries for the holiday gift bags we donate each year. Last year, with your generous donations, we donated 595 bags to our charities. 120 of these bags are for men so the following items are needed for both women and men:

#### **Men**

Toiletry bags – dark colors for men, deodorant, combs, razors.

#### **Women**

Toiletry bags, deodorant, combs, makeup, lipstick and nail polish

Toothbrushes and toothpaste for all kits – please ask your dentist to donate. And keep collecting the hotel toiletries.

When donating cosmetics, please sort the new cosmetics from any used items, **please do not mix together.** Mark bags new or used. The used cosmetics and toiletries are given to our charities throughout the year.

If you are ever looking for a handyman to do some of your small jobs, look no further than Doug Smith. Doug is the husband of Carla Smith one of our new Provisionals. Not only will he do a fabulous job, but the labor charge will go straight to one of his 5 chosen charities or to Las Candalistas! Yes, you read that right!

Debbie Sampson said “I had a job that Nick didn’t have time to do, Carla’s husband came around and did it in a few hours. He was clean, tidy and did a great job, the \$70 labor charge is going directly to Las Candalistas. There was a charge for material costs, but Doug ensured he shopped round to get them at a good price. I will be using him again and definitely recommend him. Keep a note of his details!”

## Did you know?

When you get an “eblast” or blanket email from “Las Candalistas and we say **“DO NOT RESPOND TO THIS EMAIL”** that means **Do Not Hit Reply!** We are reminding you that these emails are one way only—they are out going emails only. If you need to take action as a result of the email, you must separately, email the specific person in charge of that issue. Do not hit reply. We just don’t want you to be disappointed that no one is responding. There will be a quiz on this at the next meeting 😊 HA!
