

## MESSAGE FROM CALIFORNIA DREAMIN' CHAIRS

Hi Ladies

This is our last general meeting before the Spring Event. I'm sure many of you will need to speak at the meeting. Could you please let either of us if you have something to say. We want to make sure you are on the agenda.

Also, we are following up with Janis's request for everyone to submit their reimbursement forms and receipts.

If you need reimbursement forms they can be found on the website.

The sooner Janis gets the request the sooner she can reimburse.

It will also help tracking the budget and see how well we are doing on fundraising.

If you can't be at the meeting Selina and Anne will be happy to collect the reimbursement forms and get them to Janis.

We are getting so close to the event and everyone has been working so hard. It is going to be exciting to see how this will all come together and be a beautiful day.

### LUNCHEON BASKETS

**Our Spring Event is fast approaching and the luncheon is planned and cutlery and napkins wrapped.**

**We need to borrow from members some large serving baskets that we have used in the past years.**

**The baskets need to be rectangular baskets that can carry the luncheon boxes.**

**If you have loaned to us in the past you can bring to the April meeting and I will take home to store until the event or I can pick up from you closer to the event.**
