

LAS CANDALISTAS APRIL NEWSLETTER

LETTER FROM THE CO-PRESIDENTS

Happy April everyone, Spring is here, apparently! We know our gardens need the rain, but I think we are all hoping for some sunshine soon.

We are on a journey for our Spring Fundraising event 'Jammin' with the Jellyfish', we are now only 4 weeks away! Tickets are selling at a steady pace, we think the damp, cold weather isn't helping, but don't get caught out, if you are planning on going get your tickets now, as once we sell out, we sell out. We are restricted on numbers!

A lot of background activity has been going on, center pieces designed, Some fabulous Jelly fish decorations and ambience décor being made, Jelly being cooked up and jarred, items for games being purchased and lots of coordinating of Silent and live auction items.

The 5 chairs have been busy, there are lots of 'firsts' for this event, which adds to the stress of organizing. We have a new venue, with new rules, and the venue layout and intricacies to learn, we are buying and selling our own alcohol, we have a new band and a new Emcee and auctioneer. But we are excited, this is a golden opportunity to try new things and hopefully make lots of money for our charities. On the upside, as we are selling our own alcohol, we have the hard job, of tasting the wine and welcome drinks to decide on what to serve!

We have purchased a new 'software' to help with ticket sales/table allocation/and the purchase of other items during the evening. It will help the evening go much smoother and less work for members working the event if you pre-register a debit or credit card. So please help us, and if you are bringing guests, we need their names and emails so we can gather that information.

This month, voting members will be electing two new Board of Directors at the April 11th General meeting. Please see the details in this newsletter if you are eligible to vote but will need an absentee ballot, let Lisa know.

Our small fundraisers continued through March. Thank you to Lynda Black for organizing the Barsha evening, members enjoyed trying a different restaurant and take-out food. A number of members and friends of Joan Sedillo attended a Cabi party which raised around \$350 just for shopping! We are sure they will be showing off their purchases soon! Finally, nearly 70 wine enthusiastic members, friends and family attended the Tuscan wine tasting events. Salvatore D'Anna a Master Sommelier from Tenuta Torciano winery in Tuscany, entertained and taught us things we really didn't know. Just from the entry fee we raised \$2,920! We are waiting to hear if we earned any commission.

The next small fundraiser is a Tupperware party at Pat Hoffmans house, it looks to be a very entertaining Tupperware party, the evite has gone out, be sure to reply if you want to go. Thank you to Selina for putting together the evites.

We look forward to seeing you at the library on Weds 11th April, we will be welcoming Jay Fodor from Los Serenos de Point Vicente.

BOARD OF DIRECTORS

Board of Directors Annual Meeting

The Annual Meeting of the Las Candalistas Board of Directors will be held during the April 12th LC General Meeting at the Peninsula Center Library. All members are encouraged to attend.

2022-24 Board of Directors Election

At the April 12th Las Candalistas General Meeting, all voting members will be voting for 2 new members for the Board of Directors' 2023-25 term of office. Janie Hasselman and Laura Webb be completing their terms, and Sharon Logan, Gina Raddochio, and Janie Woodburn will continue for one more year. If you are a qualified voting member and will not be able to attend the meeting, please contact Parliamentarian Lisa Nesicolaci to receive your absentee ballot.

The following Las Candalistas members have accepted their nomination for the Board of Directors. Please take the time to read the bio's which they have submitted, so that you can be familiar with their experience and what they can add to the Board of Directors. Both are very qualified.

Amy Mosher

I have been an active member of Las Candalistas since 2013. In the early years of my membership, I had the pleasure of serving as a member of both the flower arrangement and Garden Shop committees. Following those early experiences, I spent the next 5 years as an officer: 2nd Vice President Ways & Means for 2 years, 1st Vice President Philanthropy for 2 years, followed by Parliamentarian for one year. Over the course of that time, I also served as Chair: Vendor Chair for 2 events, Opportunity Drawing Chair for 2 events and Members Hospitality once. I've spent time on the Found Treasures committee, donated silent auction items and waitressed at the Spring luncheon at Catalina View Gardens each year. If I were asked about a few of my favorite "jobs" over the years, I'd have to say that my 2 years as 1st Vice President Philanthropy were my favorite. I enjoyed forming relationships with our charities and understanding the "why" behind "what" they do. I also enjoyed the times when I, and some of the other Las Candalistas members volunteered with our charities: Trick or Treating with the children at Pediatric Therapy Network, along with working the Wine and Whiskey Pull at their annual fall fundraiser, attending Camp Escapades at the end of summer as part of the Las Candalistas team of community heroes, and being part of a volunteer team of Las Candalistas members that worked the inaugural Layla's Walk for Trinity KidsCare Hospice, to name a few.

Professionally, I work part-time as an Office Administrator at a public relations agency in the South Bay. I also have worked at an advertising and marketing agency in operations management. In between, I devoted myself to raising my son and being present for him for many years.

I've learned a lot from all of the women of Las Candalistas and am thankful to everyone for having made these past 10 years a worthwhile experience on many levels. I would be honored to serve on the Board of Directors.

Carla Smith

Thanks to former LC member, McNair Maxwell, I found this wonderful group of ladies in 2018. I align with the Las Candalistas focus on fundraising for children in the South Bay and the Environment. I treasure this beautiful area surrounding us and my passion is helping, guiding, and caring for children. I LOVE KIDS.

As a Provisional, I served on the Spring 2019 Members' Hospitality committee to feed our members. I have attended all bake days and many workshops, assisted with the Adopt-A-Family activities at Christmas, supported many of our fundraising events, and hosted an event as well. I have enjoyed co-chairing Sunshine and Rain this past year.

Personally, I am married to my wonderful "handyman" Doug for 48 years and have two grown children off the payroll. They are both married and have given us two amazing grandkids. I enjoy my kitty, helping my neighbors, reading, and working in my garden with my roses, succulents, veggies, and citrus trees. I serve on the Mission committee at St. Peter's by the Sea Church, and lead the charity Laundry Love, which assists the unhoused and low-income folks by providing them the ability to have clean clothes.

Professionally, I have been an RN for almost 53 years, having most recently retired from working as a Pediatric RN for 49 years at Miller Childrens Hospital in Long Beach, and at their outpatient clinic in Torrance. The leadership skills I learned and the teamwork I experienced there will be of value going forward. It would be an honor to serve you on the Board of Directors.

SPRING EVENT- “Jammin’ With the Jellyfish”

The Spring Event is just 29 days away. Our Jellyfish plans are coming along “swimmingly”.

Las Candalistas is trying some new things at this event, and we wanted to let you all know about how this party will be different:

As you know, this year we were given an opportunity to try a **new venue for free**. The patio at the Cabrillo Marine Aquarium is beautiful and will be a wonderful setting for a very fun fundraising party. The party is a **weekend night**. This allows for working or caregiving or other busy people to be able to attend. The dress for the evening is Beach Resort. Casual and Comfortable, not fancy Gala apparel.

We are using a **new software program** for check in AND check out. The program is called Greater Giving. When you purchase your ticket online AND register your credit card, you don’t have to pull out your wallet ever again for the evening. At check in you will be given a welcome packet with a paddle and a special badge with your registration number on it. You can purchase Silent Auction items, your raffle tickets, drink tickets etc just by using your specially assigned paddle/registration number. **NO STANDING IN LONG LINES**. If you bought tickets for friends or family members to attend the event it’s important that we register their credit card too so they have this ability for a wallet free evening.

We have a **6 piece dance band** with a stage and dance floor. Radio Royalty is a premiere 80’s dance band from Orange County. They have 3 women singers up front, (one plays the sax) as well as a drummer, guitar, and base player. Be sure to wear your dancing shoes because it will be hard to resist getting your groove on with fun songs from the Pointer Sisters, Whitney Houston, Madonna, Michael Jackson, Hall and Oates, Billy Ocean....too many more.

Guests will be greeted with a **free welcome cocktail** with a beachy look. This time we have a full bar that we are profiting from. We will take the net proceeds from the bar sales this year to help offset prices. Lynda Black has been negotiating with big brands like J Lohr wines and Titos Vodka so a lot of the alcohol will be free to us or discounted. This allows us to have our drinks at a very reasonable \$8 ticket price!

We have a **comedian**, Gary Cannon, as emcee and auctioneer. He has been on multiple TV shows as a warm up host and he also performs at comedy clubs throughout LA. You may have seen him at the Comedy and Magic Club in Hermosa Beach!

We are having a **raffle**. Buy an arm-length full of raffle tickets for \$25 and try your luck by putting tickets in up to 3 boxes for a fabulous raffle prize. We also have a fun game with glo in the dark wrist bands for cash.

Silent Auction has received incredible donations from all of you! We have a Mammoth getaway, Gondola cruise for 10, multiple experiences: from Catalina Island to TV show tapings, Plays, jewelry, Pickle Ball, Top Golf, Ice Skating, spa and massage, Game Night and much much more! Thank you all!

We have some fabulous Live Auction trips. Be sure to look on our website ahead of time and talk with friends and family. You can get a private Villa with a pool, in a medieval town in **Tuscany** which sleeps up to 8 and comes with an in-home cooking lesson with a chef, and a wine and cheese tasting, gift card for expenses, more... Girls trip? Family reunion? Couples’ trips? There is also a Villa in **Bali** for 6 with private chef and driver, Hotel stays in **Mexico**, our ever-popular Africa photo safari trip, plus a **Chef Prepared Dinner by Chef Dora**, and the very special **Wyland** Original painting which comes with a video of him painting it and talking about how this is especially for our Las Candalistas event.

What will be the same? Our event will have that beautiful Las Candalistas look and feel. The centerpiece gals have been busy creating lovely table settings with shells. Ambience is creating jelly fish which will be hanging throughout the venue to add a fun atmosphere. (have a look below at how you can help). Each attendee will take home a very special home-made jar of "Jelly Fish Jam". Our members are always the ultimate hostesses, and our guests will feel appreciated and valued for helping us fundraise for our charity partners.

As you can see, a lot of hard work, and new ideas have gone into this Event. PLEASE buy your tickets and register online soon. Please encourage your friends. You can reserve a table for a group if you'd like. It will be a super fun evening, and of course...we will support our charities and fulfill their grant request needs!

SMALL SOCIAL FUNDRAISERS

We've had a couple very fun and successful small fundraisers in March. Thank you to Lynda Black for arranging the Barsha fundraiser. Those who stopped in enjoyed their meals!

Thank you to Joan Sedillo for hosting a successful Cabi fundraiser! So much fun to check out the new Spring Fashion.

Debbie and Nick Sampson hosted 2 very special wine tastings featuring a Tuscan Vineyard. Thank you Debbie for such a lovely experience, and fabulous wine!

THIS MONTH Pat Hoffman, Selina Hamilton, Cheryl Deppe and Danielle Weinstock are hosting a Tupperware party. April 8 at 1pm at her home. *Please see the attached flyer.*

We are looking for more fun ideas for April and May. Contact Selina Hamilton for information selinamonkey@yahoo.com

Tuscan Wine Tasting Evenings

Members, partners, family and friends gathered for two nights of wine tasting. Salvatore D'Anna a Master Sommelier from Tenuta Torciano winery in Tuscany presented 7 tasty wines, 2 olive oils and a balsamic vinegar for us to try. Salvatore gave us great insight on wine from Tuscany, his amazing family history, interesting and fun facts about wine, all delivered with panache and a great sense of humor.

We made \$2,920 just from the entry charge, but most of all it was a fun two evenings of socializing and enjoying great wine. Thank you to those that came, and for the contributions of yummy food to finish off the evening!

Salute! Debbie

EXCURSIONS

Thank you for your positive feedback regarding the excursion to the South Coast Botanical Gardens and the Washed Ashore exhibit. It appears most people were interested in a "self-guided" tour on Wednesday, April 12 following our meeting. I have reached out to the Botanical Gardens, and they have put us on the reservation list. They recommend we come in the afternoon because there will be 120 school children there in the morning, but the children will be leaving after lunch. I thought we could arrange to meet at the parking lot at 1:00 pm. It would be fun, if everyone brought a sack lunch or some goodies to share, and then we could picnic before we tour the gardens. There will be a \$15.00 (\$11 dollars for 62+) entrance fee for anyone who is not a member, but it does appear we have quite a few members among us. Members can bring one person in for free, and if anyone is a deluxe member you can bring in 2 people. So far I have around 10 people interested and 5 members. That might work out just perfect. Please consider joining us for this fun adventure.

Wednesday, April 12 at 1:00 pm (meet in parking lot near entrance)

Bring sack lunch (if desired) and hydration

\$15.00 admission fee for non-members (\$11.00 for 62+) - we will try to pair up with members to allow for free admission.

Any questions, please do not hesitate to reach out to me personally.

THRIFT

We will **NOT be collecting** Thrift at the April meeting. Our final collection for the year will be at the May meeting. Items needed are clothing for Men, Women and Children and small household items. Please make sure all clothing is clean and in good condition and that all appliances are in working condition. They also need some hygiene products, e.g. Tampons, Body Wash, Deodorant at women's shelters. If anyone is travelling and collecting the hotel size shampoo, etc., we will collect those for our holiday toiletry kits that we distribute in December.

PHILANTHROPY

Happy April from your Philanthropy gals. It has been delightful connecting with, and hearing from, our different charities each month. We were all very moved and inspired by Kristin Conforti's heartfelt talk last month highlighting the work that Providence TrinityKids is doing to provide hospice care for children with cancer. A huge thank you to all who brought art supplies for their Art Therapy programs.

In March, many of us had the fun opportunity to visit Manes for Movement. We toured their barn, met their fabulous team of therapists and horses, and witnessed an actual therapy session in progress. Erin

explained their medically based hippotherapy program and how it works while we watched the horse with their rider. Barbara Smith expressed “Just to see the therapy horse in action made the ‘hip movement’ part of the therapy clearer.” After visiting, we all affirmed how excited we are to be supporting the only program within 40 miles that offers Hippotherapy services, and recreational Adaptive Horseback Riding, to the community under the same program roof.

A lesson in progress

Here is a quick update and an Amazon wishlist link from Erin:

Manes for Movement has continued to grow and flourish over the last year, bringing joy and quality equine assisted services to our clients. We are currently serving approximately 45 clients per week and provided over 1800+ direct service hours in 2022. This last year Manes for Movement became a vendor with Harbor Regional Center, which has opened the door for numerous community members with disabilities and special needs to take part in our recreational adaptive horseback riding program. In fact, demand for our services has been so great that we currently have over 60 people on our waiting list for services! Manes for Movement's herd has expanded to 5 horses, plus Bobby the miniature horse, to help try to address the significant need for quality equine assisted therapies and recreational activities we have in the South Bay Community. We have also launched our ground-based horsemanship program, where children and adults who would not otherwise be able to ride are able to experience the benefits of horsemanship activities with our therapy horses. We would like to extend a huge thank you to Las Candalistas for your generosity and continued support of our programming! Your continued support allows us to continue to grow year after year and do more for our disability and special needs community.

This month we are looking forward to hearing from Jay Fodor and all that Los Serenos de Point Vicente has been up to in recent months.

Here is a quick update from Jay:

Los Serenos de Point Vicente is an all-volunteer organization which provides educational and outreach services on behalf of the city of Rancho Palos Verdes (RPV).

Our services include providing docent support to the Point Vicente Interpretive Center (PVIC) museum, leading school children on field trips which focus on the local environment, habitats, and local history, and organizing weekend outreach events and nature walks for the public.

Although many of our activities were slowed down because of restrictions due to the pandemic, 2023 is shaping up to be a very busy year for our docents. During the 2022-2023 academic year, 38 field trips for local children have been scheduled. We have been busily hosting children of all ages, from 2nd graders through high schoolers, on tours of PVIC and on nature walks on our local hiking trails. Due in part to generous donations from Las Candalistas, 14 of these field trips are for schools who participate in our Whale of a World (WOW) program. The WOW program focuses on providing the buses and educational materials for hands on learning experiences on our natural habitat for children grades 2-6 and is offered to all title 1 schools in the Los Angeles area.

We also will be offering 12 public nature walks on our local trails in 2023, including a beach clean-up at Abalone Cove as part of the International Coastal Clean Up day in September. You are welcome to join us at any of these public events.

In February we started the training of 12 high school students, who are part of our popular Jr Docent program. The program offers high school students community service opportunities and strives to instill in the students an understanding and appreciation for the dynamics and fragility of the natural world around them.

In addition, we are pleased to announce that our docents are once again welcoming guests to the Point Vicente Interpretive Center Museum, which is now open for visitors after a 5-month shut down due to water damage caused by a broken water pipe. We are especially excited to be showing off our new exhibit, a 15 ft Sperm Whale Jawbone which was generously donated to Los Serenos. Sperm whales are the largest toothed whales and were recently spotted off the coast in the Los Angeles area.

The whale watchers at PVIC have also been spotting many migrating Pacific Gray Whales recently, so it would be a good time for you to stop by PVIC for a tour. We would love to host you. If this isn't enough, Los Serenos and the city of RPV will once again be hosting Whale of a Day at PVIC on April 16. This event, which focuses on the migration of the Pacific Gray Whale and other environmental topics, is a popular event which features informative booths, arts and crafts, children's games, and food trucks. If you attend, be looking for our puppeteers, who will be located around the grounds with their puppets, teaching children in a fun way about our local ocean habitat. Our puppet program is another activity made possible through the support of Las Candalistas. The docents of Los Serenos de Point Vicente would like to again thank Las Candalistas for your contributions to our programs. Much of what we do would not have been possible without your generous support.

*****Mark your calendars:***

On May 9th at 10:30 AM, we will be visiting the Marine Mammal Care Center in San Pedro. They will offer a tour and presentation of what they do, and we will be able to see a feeding which happens around 11:00. Please RSVP to Cathy (dacmboward@sbcglobal.net) and Kathy (ksmiljanich@aol.com) if you are able to join us.

HELP!!!!!! South Bay Children's Health Center's Toy Chest is empty again! They have sent an urgent request for toys to 'those lovely ladies' who have so amazingly filled it in the past. Their request is for larger toys that cannot be swallowed or choked on by smaller children. Coloring books and crayons are always a hit. Please bring any donations to our April 12th General Meeting.
